

COMPANY PROFILE **TAMA SAMUDERA LINES**

Reliable and Leading Shipping Agent

Starting and growing up these businesses in Indonesia. PT. TAMA SAMUDERA LINES company has a professional relationship with Pertamina and BP Migas, and by the good support of Pertamina / BP Migas we are ready to explore more business at oil and gas project.

The company has its own cargo agency and operating the ships for chemical, fishery and oil product throughout world wide ports and Indonesian ports especially in non Pertamina terminal. With branches and agents in Indonesia location.

PT. TAMA SAMUDERA LINES company is going to continue to serve and meet principal's satisfaction and able to broaden the horizons especially in core business of shipping agency.

We are the holder of business operational license company (SIUPAL) No. BXXXIV-225/AT.54, and also the member of Indonesian National Ship Owner Association (INSA).

As a division in shipping agency, we are in position to provide as the following services

- Tanker and tramp agencies
- Hub agency services
- Vessel supply services
- Bunker and fresh water supply
- Protecting agency
- Crew change & repatriation activities
- Spare part

At Tama Samudera Lines Services our specialised team can integrate seamlessly into your company and operate to exactly the same industry standards that you demand. We can oversee and manage everything from financial transactions to checking discrepancies in port logs and documentation. Attention to details remains key in everything we do.

Our strength lies with in-depth knowledge of our client requirements, and a proven understanding of voyage management that derives from daily contact with the voyage operators, local agents and the port community. This ensures a seamless service is provided on each and every voyage no matter which port around the world you are calling. Our hub agency - branches service is designed to complement your own business and as such, it is entirely bespoke. You choose the elements you need. We'll do all the rest.

SHIP MANAGEMENT

Broaden horizon and good relationship with worldwide client Pertamina and BP Migas as the owner of all Indonesian Terminals would be a good benefit for any of the correspondent using of our services. This is our priority that good and professional relationship is subject to making profit business.

Experienced and expert staffs handle our operational division. With the spirit of integrity and high work motivation, we strive for the company's fast growth to be part of the shipping agency industry and equal to the other companies.

SOLUTIONS AND SERVICES

Our operation department is run by experienced and trained professionals who have been involved in the business for more than 6 years. We completely realize that experienced and professional employee is assets and actively role playing partners in supporting the business achievement.

We understand very well for every fast movement and progress development of business services of information in the shipping agency and for that reason we always try to capture for precious information needed and provide it to the valuable clients.

Our vision is to provide our clients with total solutions particularly in agency services in all Indonesian ports with as effective and minimum costs as possible. We believe that by integrating professional ideas, experiences, creativities and capabilities of our employee, we are able to achieve our vision, mission and goals to expand in the future.
